Cruzer U™ USB Flash Drive

Carry safe, carry smart with the hard-to-lose Cruzer U™

Highlights

- Distinctive U-clip design attaches securely to your backpack, keychain, purse or binder
- Enough capacity to hold your photos, music, documents and more
- Keeps the USB connector safe inside when you're not using it
- Cool custom design in your choice of colors

Take this smart, bold USB flash drive everywhere you go, U-clipped securely to your backpack, bag, or key ring. Cruzer U™ USB flash drive can hold everything from your music collection to your favorite movie—a range of capacities lets you choose as much storage as your busy life requires.

The retractable connector stays safe inside until you want to plug it in to your computer. Brilliant colors and the distinctive U-clip design make it stand out from other drives, while choosing the world's most trusted flash memory brand means you'll never lose your important files.

You control what other people can access, for worry-free sharing. Password protection through SanDisk SecureAccess™ keeps your private files private[1], so you can carry everything you need with you—and share only as much as you want.
